

BMC Grayken Center for Addiction TTA

Raagini Jawa, MD, MPH
Stephen Murray, MPH, NRP

Zeroing in on Xylazine

This training will provide knowledge regarding Xylazine, a CNS depressant, which has been linked to an increasing number of overdose deaths in the US. This training will discuss the physiologic effects of Xylazine, manifestations of Xylazine intoxication, overdose, communicable infections associated with Xylazine use, and wound care for persons injecting Xylazine.

Upcoming dates:

Wednesday, 3/1 from 2-3PM ET via Zoom

Wednesday, 3/29 from 3-4PM ET via Zoom

Wednesday, 4/12 from 5-6PM ET via Zoom

Intended Audience

Providers, nurses, counselors,
and other non-clinical staff are
welcome to attend.
