

The Bureau of Substance Use and Addiction
Services invites you to attend

COMPASSIONATE ACCOUNTABLE CONVERSATIONS

With Growing A New Heart
April 17, 18, and 22 - 9am - 1pm each day

Training for MA BSAS Funded Programs ONLY.

If you work with survivors or people who you think may be bullying their partners or others, this training offers practical, effective skills for interrupting and transforming those patterns.

Practice a racially just approach to accountability when working with people in recovery who use the tools of abuse or dominance.
