

In Celebration of National Recovery Month
Join us for a Special Screening & Panel Discussion of

Recovery City

September 16th, 2025

[FIRST Steps Together](#) invites you to attend a screening and panel discussion of [Recovery City](#), a powerful documentary that follows the journeys of women in recovery as they rebuild their lives, reconnect with their families, and navigate the complex systems of care and support. With honesty and resilience, the film sheds light on the realities of recovery, motherhood, and community.

This event is free and open to the public, including local agencies and providers who work with families impacted by substance use or any individuals interested in seeing the film. To attend, please register at the link below.
